

2nd BRADFIELD BROWNIES

2nd Bradfield Brownies meet fortnightly during term-time to do various fun activities such as crafts, cooking, badges, games and much more. Outside of the normal meeting times we often do other activities / events such as helping the community, fund-raising, trips, sleepovers, and pack holidays.

WHAT DO BROWNIES DO?

Brownies is a section of Girlguiding UK, which is about trying new things that teach girls aged seven to 10 about themselves, their community and their world. Brownies introduces girls to a world of new opportunities, challenges and fun.

Girls in Brownies have incredible experiences together, make brilliant friends and discover the world around them. Every time they meet up, groups of Brownies learn new skills and take on challenges as they work out what they want to be and do in the future. All Brownies are sure to try new things and take on a broad range of challenges as they explore the topics that sit within our six programme themes - Know Myself, Express Myself, Be Well, Have Adventures, Take Action and Skills For My Future.

Girls in Brownies are part of a small group called a Six, led by a girl called a Sixer. They make their own decisions about what badges and activities to do next. They work together to explore their place within their local community and the world around them. In their regular meetings, girls will try new things – they can work in groups on skills builder activities like Live smart or Network and have fun all together with unit meeting activities. They work towards interest badges in their own time, choosing topics and skills they are interested in and exploring everything from languages to space. Brownies can feel proud of their achievements with awards for each theme and work towards the Brownie Gold award – the highest award a Brownie can get!

If you would like more information about the Brownie programme please visit the Girlguiding UK website.

Interested in joining us, or are you an adult who could spare one night a fortnight to help? If so, please e-mail us at
