

## About our School

We currently have 132 children on roll and the children are taught in 7 separate classes, one for each year group.

We provide a safe and happy environment that supports the spiritual, moral and social welfare of our pupils.

In keeping with our Christian ethos and values, we believe it is very important to ensure that every child feels themselves to be a valued member of the community. In particular we do all we can to ensure that all pupils receive the help, encouragement and support that we can give them to achieve their full potential.

Bradfield Primary School is very much at the heart of the community, serving Bradfield Southend and surrounding villages. We provide education in a caring environment for children both in and out of catchment.

**The school has many attractions:**

- Academic attainment above the national average
- An exciting and dynamic creative curriculum
- An impressive teacher to pupil ratio
- Aspirational teachers and leadership
- Excellent facilities and tradition in sporting success, music and the Arts
- Well motivated, friendly, happy pupils
- A strong Christian ethos at the heart of the school supporting excellent behaviour and moral values
- A beautiful and stimulating rural environment, playing fields and playgrounds

## Excellent school facilities

In 2011 a £1.5 million refurbishment of the existing buildings was completed to provide a superb new hall, library, kitchen, PE office, infant play area, offices and entrance.

We have beautiful school grounds and the school fully utilises all the space available to provide an excellent range of extra-curricular opportunities. Sport is a particular strength and clubs include athletics, gymnastics, tag rugby, canoeing, football and cricket.

Other activities cover a range of subjects including French, Spanish, Drama, Performers Club, Sewing and Choir. Children are encouraged to learn musical instruments and lessons are currently offered in Guitar, Recorder, Cello and Violin.

## Creative Curriculum

We are committed to developing a rich and stimulating creative curriculum that inspires a love of learning with many opportunities for trips and outdoor days.

Each year children in Years 4, 5 and 6 attend residential trips to help develop personal skills such as independence and taking responsibility.

## Community

Parents, staff and the community work well together to support the school. There are close links with the local church and we also have a very active and effective PTA. Recent fundraising events include school discos, firework displays, Mother's Day tea, Easter egg hunts, summer fetes and social evenings for parents.
